Arrest made in hit-and-run

Suspect caught fleeing on foot after crash

By Jake Hutchison

COTTONWOOD » California Highway Patrol arrested driver Andrea

Lee Bates, 38, of McKinleyville Wednesday morning on suspicion of hit and run and driving under the influence.

The crash occurred shortly after 6 a.m. Wednesday near the

bridge over Cottonwood Creek after Bates entered northbound Interstate 5 by driving the wrong way down the exit ramp for Ball's Ferry Road in Anderson. Bates, in a 2006 Honda Accord, collided with driver Megan McLaughlin, 33, of Cottonwood, who was in a 2004 Hyundai Tiburon.

According to the CHP website,

Bates entered the ramp traveling at 100 mph.

According to a press release from CHP, Bates fled the scene on foot before being spotted by a CHP helicopter in a nearby field and taken into custody.

McLaughlin was taken to Mercy Medical Center in Redding with major injuries, including a

broken leg.

Bates was taken to St. Elizabeth Community Hospital after complaining of nose and knee pain but was cleared medically before the arrest was made.

Animal control was called to the scene to pick up a female pit bull that was in the back of Bates' car.

FLASH DANCE BRINGS AWARENESS TO CAUSE

Students, police and local advocates hope to alert their community about violence against women

RED BLUFF » Red Bluff Police Department School Resource Officer Lela Martinez was joined by about 50 students from Red Bluff High School along with representatives from Alternatives To Violence and the Tehama County Sexual Assault Response Team, or SART, in a One Billion And Rising flash mob dance Wednesday afternoon at Cone and Kimball Plaza.

The event, put together by Tehama SART, joins people around the world in opposing violence against women and girls, said Alternatives To Violence Community Outreach and Education Manager Jennifer Moniz, who assisted in organizing the event.

"We are hosting the flash mob to spread awareness about vio-

lence against women and gather attention to these issues that affect our community," said Tehama SART Program Manager Carolyn Walker. "This flash mob is the same week as our The Vagina Monologues (performance) so we are hoping to raise awareness to the issue and to bring more people to the monologues to support Tehama SART."

The local stage production of The Vagina Monologues will be presented at 7 p.m. Saturday, Feb. 17, at the State Theatre as a fundraiser for Tehama SART. Proceeds will help train volunteer examiners of the recently launched team. All funds from the event will stay in Tehama County.

Tickets can be purchased at the door for \$15, as can masks for the masquerade theme of the night.

The flash mob is part of a

larger mass action effort to end violence against women, Moniz said. The campaign was launched on Valentine's Day in 2012 as a call to action based on the statistic that one in three women in the world will be
